## Dynamometer Performance Testing Terms and Conditions

1. Control of the vehicle will be handed over to the Dynamometer operators.
2. All care shall be taken, however, NO responsibility will be accepted for any damage or mechanical failure resulting from any activities with the chassis Dynamometer or the Dynamometer operators.
3. The vehicle owner/agent warrants that their vehicle is in a safe mechanical and roadworthy condition to withstand peak loads during the run on the Dynamometer.
4. **NOVATECH** and the Dynamometer operators reserve the right of refusal to any vehicle.
5. I therefore indemnify **NOVATECH**, their respective Management, Staff, Employees, Operators and Volunteers against any/all claims, actions, demands, losses, damages, costs and expenses whatsoever suffered from or incurred as a result of the above mentioned activity.
